

## Mary Poppins Returns

In the movie the banks are facing some real hardships, but Shelli reminds us that we have hope in God. What does this verse mean to you?

Colossians 3:2

Now read, Phil 4:8-9

On a scale of 1-10 how hard is it for you to do this on a daily basis?

“Another thing that Mary Poppins is good at is letting people stumble onto the truth themselves”

Who have you known that was good at persuasion? What made them good at it?

Mary Poppins almost never told the Banks’ what to do but showed them. How could this relate to our Christian witness?

Finish by reading and applying Romans 12:2
